

TAMSEEL AHMAD

Software Engineer | tamseelwork@gmail.com

0332 7939896 | LinkedIn: Tamseel Ahmed

EDUCATION:

IQRA UNIVERSITY
BS in Software Engineering
2023-Present

ST.PATRICKS COLLEGE
Intermediate in Computer Science
2021-2023

THE EDUCATORS SCHOOL
Matriculation in Computer Science
2009-2021

PROGRAMMING LANGUAGES:

- Python
- C
- C++
- Java / Javascript
- SQL
- Rust

CERTIFICATIONS:

IBM Data Science Professional
Certificate – Coursera
Completed coursework covering
data analysis, Python, data
visualization, and machine
learning fundamentals.

PROFESSIONAL SUMMARY:

A dedicated undergraduate student pursuing a Bachelor of Science in Software Engineering (BSSE), with a strong passion for coding and data-driven development. They demonstrate a keen interest in exploring and analyzing data, applying it to build practical and efficient software solutions through academic and personal projects. Continuously striving to enhance their technical and problem-solving skills, they are committed to applying their knowledge to real-world challenges and growing into a proficient and innovative software engineer.

PROJECTS:

- Developed a Restaurant Management System using Python, implementing core functionalities such as order handling and data management.
- Designed and developed several Python-based games, including Tic-Tac-Toe, Guess the Number, and Ping Pong, showcasing strong programming fundamentals and logical thinking.

LANGUAGES:

- Urdu — Native
- English — Fluent
